OVERVIEW

HIS STUNNING, PROPHETIC documentary reveals a mystery that is determining America's future and yours.

It all began with Jonathan Cahn's first book, *The Harbinger*, written in 2012, which revealed an ancient mystery behind everything from 9/11 to the economy, to the housing boom, to the war in Iraq, to the crisis on Wall Street.

God used *The Harbinger* to send a prophetic message on which America's future hangs.

But that wasn't the end. Since *The Harbinger* came out, what the book foreshadowed is actually coming true. So in early 2020, Cahn began to write the longawaited sequel, *The Harbinger II: The Return*, and soon after, COVID-19 began to paralyze America.

The shaking of which he had warned in *The Har*binger had begun.

And now, in the fullness of time, comes this riveting documentary. It not only tells the mystery of the Harbinger, it *shows* you. And finally, at the end of this film, Cahn opens up a mystery he's kept

hidden for over twenty years—something most prophetic and which you will see here for the first time.

The Biblical Template

The Harbinger revealed nine signs that appeared in the last days of ancient Israel, which are now reappearing on American soil. These harbingers are not the end of judgment but the *beginning of judgment*.

This biblical template of national judgment begins with the lifting of the nation's hedge of protection. An enemy makes a strike on the land. It's a wake-up call to return to God.

For America, the beginning of national judgment came on September 11, 2001. In the template, the nation is given a space of time, a window in which to come back to God or to head for judgment. If it doesn't turn back, then greater shakings will happen.

In America it's happening now. *The Harbinger II* and this documentary—reveal how the mystery has never stopped.

The Revelation

The revelation comes in three parts. The first part is called "The Unrevealed." It opens up the mysteries that began with 9/11, the repercussions of which are affecting us to this day.

The second part is called "The Manifestations." It

reveals that the mystery has continued, the template of judgment has progressed, and new harbingers have now appeared.

The third part is called "The Coming," which brings the mystery up to the present time. It asks the questions, Is there hope? What is the warning, and what are the keys for each of us in the days ahead?

THE UNREVEALED

MERICA WAS FORMED after the image of ancient Israel. But like Israel, it fell away from God. The people drove God out of their culture, descending into sexual immorality, persecuting those who upheld God's ways, and sacrificing their own children at the altar of abortion.

And then came the first shaking—the first strike, a warning of coming judgment.

The Gate

The great cities of the ancient world were walled, and the gates of those walls were critical. But what did it mean when an enemy appeared at the gate?

```
Scripture: Deuteronomy 28:52
```

Principle: If a nation doesn't turn back to God, then what began at the gate moves inexorably to its conclusion.

Questions:

• What is the gate of America?

• When did this ancient mystery happen on American soil?

The Tower

The pride of a nation is embodied in its towers. What does it mean if a nation's towers should fall?

Scripture: Isaiah 2:12, 17

Principle: The biblical template of judgment declares that which is lifted up is brought low. And that's exactly what happened on 9/11.

Questions:

- Did the same sign that appeared to ancient cities and kingdoms now appear to America on 9/11?
- Upon what two foundations does America's power rest?

The House by the River

When judgement comes to a nation, its powers are struck and the foundations of those powers are exposed. One of those powers is that of its military.

Scripture: Deuteronomy 28:52

Principle: America's blessings and world power come from God. But if it turns away from Him and wars against His ways, that power will be removed.

Questions:

- Could this ancient biblical principle manifest in America? And how would this relate to the Pentagon and what happened on 9/11?
- Could the Pentagon be hiding a mystery that goes back to 1941 but relates to us now? And could this mystery have actually pinpointed the year and date it would be attacked sixty years later?
- What would be the biblical warning to America in all these things?

The Mystery Ship

On 9/11, everything returned to its foundation, and the foundation was exposed. A mystery became visible in the New York harbor.

Scripture: Jeremiah 45:4

Principle: America's economic power and prosperity come from God. But if the nation turns against its foundation, then that power and prosperity will crumble.

Questions:

- What was the mystery from another century that appeared in the New York harbor on 9/11?
- What is the prophetic connection between the day of destruction and the day that New York City was born, the two 9/11s?

The Parasha

Every Sabbath in synagogues throughout the world, a passage of Scripture is read and chanted, appointed from ages past. On the Sabbath before 9/11, an appointed word was read. It was a prophecy of calamity that revealed the signs of national judgment.

Scripture: Deuteronomy 28:24, 29, 49-50, 52

Principle: This scripture defines the mystery of what would befall a nation that had once known God but now had turned away.

Questions:

- How many signs appeared in the appointed word that happened exactly that way on 9/11?
- What is the significance of the image on the second plane?

The Watchmen

In ancient times watchmen stood on city walls and sounded the shofar at the first glimpse of an enemy to warn the city of danger. On the morning of 9/11, the ancient biblical sound of warning began echoing through America's northeast coast. How did that happen, and what did it mean?

Scripture: Jeremiah 4:19–20; Amos 3:6; Zephaniah 1:16; Hosea 8:1

Principle: Before judgment falls on a nation, God sends warning.

Questions:

• How was America warned on the morning of 9/11?

- Does the mystery pinpoint exact times and places when and where the terrorists passed through?
- Does God use calamity as a warning or wake-up call to a nation?
- What happens if a city or nation ignores the warning of the watchman?

THE MANIFESTATIONS

HERE IS A centuries-old prophetic warning embedded in America's foundation. Some of the most critical pillars in America's foundation were laid in Massachusetts Bay. John Winthrop, the grandfather of the nation, sailed through this bay.

The City On the Hill

John Winthrop dedicated America to the purposes of God, founded after the pattern of ancient Israel.

Scripture: Deuteronomy 28

Principle: America was founded by the Puritans after the pattern of Israel. Inasmuch as Israel followed God, it was blessed. But inasmuch as it turned away, its blessings were removed and replaced with curses.

Questions:

• What scripture or scriptures was Winthrop's promise and warning based on?

- How did its original context connect with the context of Winthrop and the Puritan exodus?
- What is its promise for America? Was it fulfilled?
- What is the warning of Winthrop's message?
- Is it coming true in America?

The Harbingers

The nine harbingers of judgment that manifested in the last days of ancient Israel began to manifest on American soil—and now new harbingers have appeared.

Scripture: Isaiah 9:8-10

Principle: America itself is replaying the ancient judgment drama, following in the footsteps of ancient Israel.

Questions:

• What was the context of Isaiah 9:10 with regard to ancient Israel and its judgment?

- What is the biblical pattern of national judgment?
- How has America answered God's wake-up call? What is the object that has risen to demonstrate that answer?
- How was the vow of judgment uttered in America's capital city, marking America as a nation now under the judgment of God?

The Hidden

At the very top of the Freedom Tower in New York City there is a mystery that goes back thousands of years.

Scripture: Isaiah 9:10; Genesis 11:4

Principle: The highest words of America proclaimed to the heavens a nation's defiance of God.

- Have new signs and harbingers appeared in America since 9/11?
- What are the words atop the tower, and what is their significance to the mystery?

The Ninth of Tammuz

There is a specific day on the Hebrew calendar that leads to judgement—the day that the end began. It's a day of sorrow, fasting, and mourning. The day that sealed the destruction of Judah...and America followed the template.

Scripture: Jeremiah 39:1-4, 8-9

Principle: In striking down the biblical definition of marriage, America crossed a threshold in its fall from God. Marriage as we have known it is a hedge to any civilization.

- What examples have you seen of evil being called good, and good being called evil?
- What significant event happened on June 26? What was the biblical date?
- What happened to Jerusalem on the Ninth of Tammuz?
- How does the event that took place in America on the Ninth of Tammuz relate to the meaning and warning of the ancient date?

The Image

Shortly before ancient Israel was destroyed, the Lord showed the prophet Ezekiel a vision in the holy temple of Jerusalem: an image of a pagan god. God told him that judgment would fall and the nation would be destroyed. In modern America, an image of a pagan god appeared in the city of the harbingers.

Scripture: Isaiah 5:20

Principle: When a nation turns away from God, it inevitably turns to the gods. One of the signs of a nation's judgment is the appearance of the idols and images of the gods.

- How did the image of a foreign god manifest in America?
- What was the appointed scripture for that day? What was the sign of such images?
- What was the god whose image was projected onto the building? What might that mean?

• What could it mean that light was used in order to create the god of darkness?

The Judgment Tree

In the Bible, one of the signs that represent judgment coming upon a nation is a withering tree...a mystery that also happened at Ground Zero.

Scripture: Ezekiel 31:12, 32:7; Joel 2:31

Principle: The fall of the sycamore tree corresponded to the calamity of 9/11; the fall of the Erez tree fore-shadows the fall of the nation.

- Which of the original nine harbingers was the Erez Tree, the Tree of Hope?
- Why is the biblical image of a withering tree a symbol of national judgment?
- Why is the fall of the Erez Tree (or Cedar in English) a more ominous sign than the fall of a sycamore?
- What is the significance of the tree falling on a Hebrew holy day?

• What sign appeared in the sky on that very same day?

The Convergence

On the morning of 9/11, another mystery marked the beginning of the nation's judgment, seen by believers all over the nation. The warning was given years in advance.

Scripture: Isaiah 9:8-10

Principle: The Bible itself marked the beginning of the nation's judgment as September 11.

- What scripture manifested all over America on the morning of 9/11?
- How did that happen?
- How far back was the date of 9/11 linked to an enemy attack?
- Why did God have this happen?

THE COMING

CHAPTER 28 OF *The Harbinger* is called "Things to Come," and it speaks of what comes next.

Principle: In the template, if a nation continues in its course of descent from God, shakings will come upon it.

Questions:

- What form do the shakings take that come upon a nation in danger of judg-ment?
- How many of these can you see taking place in America?

Principle: In the biblical template of national judgment, after an initial warning strike, the nation is given a period of time to return to God—and if it does not, then it proceeds to calamity.

Questions:

- In the judgment of Jerusalem and the southern kingdom of Judah, when did the first strike come upon the land?
- When did the great shakings come upon the land?
- What happens if you apply this same template to America and 9/11? What does it reveal?

The Plague

One of the judgments that the prophet Jeremiah foretold would come upon his nation in its time of judgment was that of a plague—or an epidemic. Could that provide the key to what has come upon the world?

Scripture: Jeremiah 19:1–11, 8:22, 32:35–36

Principle: Judgment can manifest in the form of a plague, and the plague will bear signs of the nation's sin.

Questions:

- What signs accompanying COVID-19 relate to the biblical principle of plagues and judgment?
- What signs can we see in the time and place, the exact dates that COVID-19 struck America?

The Mystery Ground

When judgment came to Israel, the destruction returned to the ground on which the nation was dedicated in prayer to God—the Temple Mount. On 9/11 the ancient mystery manifested to America in New York City.

Scripture: Deuteronomy 30:1-2, 9-10

Principle: On 9/11 God was calling America back to its ground of consecration and prayer. But even as the nation's eyes were turned back to this place, there was no turning back to God.

Questions:

• Where is America's consecration ground?

- What took place there—by whom, and when?
- What would the call of God be with regard to America's Mystery Ground?

If My People

There is a scripture, a key to national restoration. The nation's history has been altered more than once by this ancient mystery.

Scripture: 2 Chronicles 7:14

Principle: There is an answer for America to avert judgment.

- Do you believe there is hope for America?
- How could 2 Chronicles 7:14 be applied to America right now?
- What specific things could be done to put that scripture into effect in America?

The Winds Of April

In April of 1863, in the midst of the Civil War, Abraham Lincoln called for a national day of prayer, humility, and repentance before God.

Scripture: 2 Chronicles 7:14

Principle: God will honor His word. If we do what God told us we must do, He will answer and bring healing to our land.

- Why do you think Lincoln and the United States Congress called for a national day of prayer, humility, and repentance?
- What events marked the turning point of the Civil War?
- How did these events relate to Lincoln's call to prayer?
- What would have happened in the 20th century had Lincoln not called for prayer, and had the people not humbled themselves and prayed and

turned from their sinful ways and sought the face of God?

The Western Terrace

In 1980, believers from all over America gathered in Washington, DC, with one scripture. They prayed for two things.

Scripture: 2 Chronicles 7:14

Principle: The ancient promise given to Israel changed the history of America and the world.

- What two things did believers pray for in Washington, DC, in 1980?
- How was each one answered and fulfilled?
- In January 1981, the site of the inauguration was changed from where it had been for more than a century to the Western Terrace. Why was that significant?
- What might have happened had that day of prayer not taken place—to

America, to the Communist countries of Eastern Europe...to the world?

• Is it possible that there could again be a return to God, repentance, and revival in America? What would need to be done for this to happen?

The Island

The prophetic word embedded into America's foundation was linked to an island, an island that would become critical to the nation's history in 2001.

Scripture: Malachi 3:7

Principle: America was founded after the pattern of Israel's founding, blessed after the pattern of Israel's blessings, fallen after the pattern of Israel's fall, shaken after the pattern of Israel's shakings. If it does not return to God, will it not undergo the calamity of Israel's judgment?

- On what words of Jesus the Messiah was John Winthrop's message based?
- Was there an actual American city known as the "City on the Hill"?

- Where was Winthrop's Island?
- How did all these things come together in September of 2001?

The Day of the Watchman

Two years before 9/11, a number of believers gathered at the Statue of Liberty, knowing in the Spirit that a terrorist attack was coming to America. That day would produce two exact prophetic images of what was to take place two years later.

Scripture: Jeremiah 4:19-20, 6:17; Ezekiel 33:3

Principle: God uses images and symbols to warn of what is yet to come.

- What does the Bible say of God warning His people of things to come?
- What is the connection between gates and watchmen?
- What is the gate of the gate of America—the exact point?
- What would the watchman see from the gate in the distance?

• How did the "Day of the Watchman" foreshadow what was to come two years later, with an image, a clip, and a date?

A Mystery Revealed and What Lies Ahead

Who was the one who sounded the shofar from the Statue of Liberty, who pointed the ram's horn at the north tower, who said the Hebrew prayer as the plane headed to the World Trade Center on 9/11 two years before the attack?

- What was the biblical holy day, the day that warns of coming judgment and calls us to hear the warning, repent, and turn to God? How did it manifest at the Statue of Liberty? And what would it mean?
- Can we turn against the God of our foundation and still retain His bless-ings?
- What is the only hope for America?

- What is the trumpet saying to those who know the Lord—and to those who don't?
- What can you do with regard to the lost? With regard to America? And with regard to your own life?
